Welcome Words

Dean's Speech

Dear my daughters and sons Faculty of Nursing students, Peace be upon you and God’s mercy and blessings

Faculty of Nursing aims to improve and upgrade medical service, its honor to me to welcome yours at the beginning of the new academic year.

Our message in the Faculty of Nursing is to contribute to the overall development on the international map of universities with advanced scientific excellence so that recognized at the national level and international college and be able to produce exceptional graduates able to compete in regional labor markets and international and contribute its scientific research to contribute In solving the problems of nursing in particular and the problems of society in general.

Dear students My heartfelt congratulations to joining college make you eligible for a scientific exercise, which allows humanitarian action, using white as angels surrounding breezes and I ask you to keep this relationship in your treatment with patients because they are in dire need of humanitarian deal.

And to be awarded to know that the management of the Faculty of Nursing all keen to ensure that the basic function and service of students and develop their skills and abilities and help them in all fields to the upbringing of their children a generation of students able to take responsibility Finally, I extend to you heartfelt best wishes for continued success in your life and the scientific process and invite you to clutch human values and forefend the honesty of this job, you are hope for the advancement of our dear country and its dignity and attain prosperity for our beloved Egypt.

Dean of Faculty
Prof. Amany Mohamed Shbl
The City of Mansoura

Mansoura in Arabic means ‘victorious’. The city is named after the Egyptian victory over Louis (IX) of France during the Seventh Crusade.

Location

Mansoura lies on the east bank of the Qamietta branch of the Nile, in the Delta region. Mansoura is about 120 km northeast of Cairo.

History

Mansoura was established in 1219 by Saladin’s nephew, Abu-Bakr Malik ibn al Adil I (their father also known as Saphadin) of the Ayyubid dynasty. After the Egyptians defeated the Crusaders during the Seventh Crusade, it was named Mansoura (aka. ‘Victorious’)

Mansoura University

Mansoura University was founded in 1972 in Mansoura city, Egypt. Mansoura University is located at the middle of the Nile Delta in Egypt. Now, it also has a branch in Damietta. It is one of the biggest Egyptian universities and has contributed much to the cultural and scientific life in Mansoura and Egypt. There are 17 Faculties in Mansoura University (Faculty of Medicine, Faculty of Pharmacy, Faculty of Dentistry, Faculty of Veterinary, Faculty of Sciences, Faculty of Engineering, Faculty of Agriculture, Faculty of Computers and Information Sciences, Faculty of Kindergarten, Faculty of Nursing, Faculty of Commerce, Faculty of Laws, Faculty of Education, Faculty of Specific Education, Faculty of Physical Education, Faculty of Arts, Faculty of Tourism and Hotels).

For more information, please visit the website: http://www.mans.edu.eg
Why Mansoura University?

• Mansoura University is one of the top universities in the statistics of domestic and international order (2012).
• Mansoura University is the second Egyptian university after the American University at Cairo (AUC) according to "Webometrics" organization (2013).
• Mansoura University is the thirteenth in the list of the top 100 Arab League.
• Mansoura University has the large number of accredited Faculties among the Egyptian universities.

Faculties awarded the Quality Assurance and Accreditation of Education:
1. Faculty of Pharmacy
2. Faculty of Physical Education
3. Faculty of Medicine
4. Faculty of Sciences

*Times: (Mansoura University occupies the rank of 96 in the top 100 Universities worldwide)*

Mansoura University occupies the rank of 96 in the top 100 universities worldwide according to Times Higher Education and in the second rank of Arabic universities classification after King Fahd University of Petroleum and Minerals.

We congratulate you, for choosing Mansoura University to study in.
Faculty of Nursing
