توصيف مقرر دراسي

				المقرر	۱ – بیانات ا
5 th level 9 th Semester	الفرقة/المستوى:	Gastroenterology Applied Nursing تمریض تطبیقی أمراض جهاز هضمی	اسم المقرر	APC 902 :	الرمز الكودء
2 credit hours		نظري ات الدراسية: عملي	عدد الساعا	B.Sc. in Nursing credit hour system	التخصص:

This course aims to enable students to demonstrate high technical skills in				
caring for patients with gastrointestinal disorders and describe the nursing	٢- هدف المقرر:			
implications associated with diagnostic tests of the gastrointestinal system.				
٣- المستهدف من تدريس المقرر:				
Not Applicable	أ – المعلومات والمفاهيم:			
	والمفاهيم:			
B1. Correlate basic medical and nursing science to perform clinical				
decisions				
B2. Integrate the laboratory and assessment findings with the actual				
manifestations	ب- المهارات الذهنية			
B3. Utilize nursing process to provide suitable nursing management	ب- المهارات الذهنيةالخاصة بالمقرر:			
B4. Develops strategic nursing care plans according to the actual common				
health problems.				
B5. Utilize appropriate research evidence in different clinical situations.				
C1. Demonstrate physical examination for patients with gastroenterology	ج- المهارات المهنية			
conditions on laboratory dolls and patients at clinical sittings with	ج- المهارات المهنيةالخاصة بالمقرر:			

assessment tool. C2. Conduct appropriate fundamental skills skillfully in accordance with best evidence- based practices. C3. Provide patients and their families with health education related to gastroenterological health problems C4. Assess the accuracy of implemented nursing care plan through improvement of patients conditions and patient satisfactions. D1. Apply nursing actions in priority. D2. Describe psychological health pattern in communication process among health team member and with patients D3. Perform therapeutic communication with patients of gastroenterology diseases and their families. D4. Apply basic principles of health teaching in accordance with type of communication D5. Presents information clearly with efficient time management. D6. Communicate using available communication aids . E1. Apply the principles of ethics in all nursing activities E2. Work effectively with patient considering bill of rights	
best evidence- based practices. C3. Provide patients and their families with health education related to gastroenterological health problems C4. Assess the accuracy of implemented nursing care plan through improvement of patients conditions and patient satisfactions. D1. Apply nursing actions in priority. D2. Describe psychological health pattern in communication process among health team member and with patients D3. Perform therapeutic communication with patients of gastroenterology diseases and their families. D4. Apply basic principles of health teaching in accordance with type of communication D5. Presents information clearly with efficient time management. D6. Communicate using available communication aids . E1. Apply the principles of ethics in all nursing activities
