Raising women's awareness of the importance of breastfeeding during the Corona pandemic workshop

In implementation of the plan of the College of Nursing for community service and environmental development, and out of its societal role, **Dr. Nagwa Ibrahim El-feshawy** held a workshop for mothers at the Maternal and Child Care Center in the guest house & Conference Center - Mansoura University, entitled “**Raising women's awareness of the importance of breastfeeding during the Corona pandemic**” as one of the community service activities in the department for the academic year 2021/2022.

Under the patronage of Prof. Amina El-Nimr - Dean of the College, Prof. Dr. Wafaa Fathi - Vice Dean for Community Service and Environmental Development Affairs, and Prof. Dr. Hanan El-Sayed Mohamed, Head of the Woman's Health and Midwifery Nursing Department - Prof. Dr. Samia Ibrahim Othman, head of the community service standard. And the participation of Dr / Abrar Rafat Abdallah

The seminar was held on Saturday 3/1/2022, in the hall of the Maternity and Child Care Center in the guest house & Conference Center.
