

Gerontological Nursing Department Scientific Thesis

First Part : Master Thesis:

1. Prof.Soad Hassan Abd Elhameed 2. Assist.Prof.Raefa refat allam 3. Assist.Prof.Nadia Mohamed Hassan Saleh 4. Assist.Prof.Eman Baleagh Meawad 5. Assist. Prof. Doaa Elsayed Fadila 6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza Mahmoud Boughdady 8. Assist.Prof.Doaa Abd Elhamed Self care practices among home based dia Elderly in Dakahlia Governorate Risk factors associated with rehospitalization elderly suffering from heart failure Impact of foot care educational program knowledge and self-care practice for dia elderly patients Functional abilities of osteoarthritis women their compliance to therapeutic regimen Coping behaviors of elderly patients chronic obstructive pulmonary disease Knowledge and behaviors of the elegarding osteoporosis Effect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee 8. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke	N.	Staff Names	Scientific degree
2. Assist.Prof.Raefa refat allam Risk factors associated with rehospitalization elderly suffering from heart failure 3. Assist.Prof.Nadia Mohamed Hassan Saleh Lifestyle patients 4. Assist.Prof.Eman Baleagh Meawad 5. Assist.Prof. Doaa Elsayed Fadila Coping behaviors of elderly patients chronic obstructive pulmonary disease Coping behaviors of the elegarding osteoporosis 6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza Beffect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee 8. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke		Prof.Soad Hassan Abd Elhameed	Self care practices among home based diabetic
elderly suffering from heart failure 3. Assist.Prof.Nadia Mohamed			Elderly in Dakahlia Governorate
3. Assist.Prof.Nadia Mohamed Hassan Saleh 4. Assist.Prof.Eman Baleagh Meawad 5. Assist. Prof. Doaa Elsayed Fadila 6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza Mahmoud Boughdady 8. Assist.Prof.Doaa Abd Elhamed Impact of foot care educational program knowledge and self-care practice for diagelerly patients Elderly patients Coping behaviors of elderly patients chronic obstructive pulmonary disease Knowledge and behaviors of the eleganding osteoporosis Effect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee Receptual stroke	2.	Assist.Prof.Raefa refat allam	Risk factors associated with rehospitalization of
Hassan Saleh Hassan Saleh Knowledge and self-care practice for diagederly patients Functional abilities of osteoarthritis women their compliance to therapeutic regimen S. Assist. Prof. Doaa Elsayed Fadila Coping behaviors of elderly patients chronic obstructive pulmonary disease Assist. Prof. Heba Noshy Abd EL Knowledge and behaviors of the elegarding osteoporosis Assist. Prof. Assis			elderly suffering from heart failure
4. Assist.Prof.Eman Baleagh Meawad 5. Assist. Prof. Doaa Elsayed Fadila Coping behaviors of elderly patients chronic obstructive pulmonary disease Coping behaviors of the elementary disease Coping behaviors of elderly patients chronic obstructive pulmonary disease Coping behaviors of elderly patients chronic obstructive pulmonary disease Coping behaviors of elderly patients chronic obstructive pulmonary disease Elderly People With Osteoarthritis Knee Assist. Prof. Assist.Prof.Aziza Effect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee Elderly People With Osteoarthritis Knee Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke	3.	Assist.Prof.Nadia Mohamed	Impact of foot care educational program on
 4. Assist.Prof.Eman Baleagh		Hassan Saleh	knowledge and self-care practice for diabetic
their compliance to therapeutic regimen 5. Assist. Prof. Doaa Elsayed Fadila Coping behaviors of elderly patients chronic obstructive pulmonary disease 6. Assist. Prof. Heba Noshy Abd EL Knowledge and behaviors of the elegarding osteoporosis 7. Assist. Prof. Assist. Prof. Aziza Effect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee 8. Assist. Prof. Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke			elderly patients
5. Assist. Prof. Doaa Elsayed Fadila Coping behaviors of elderly patients chronic obstructive pulmonary disease 6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza Effect of Self-Care Practice on Lifesty Elderly People With Osteoarthritis Knee 8. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke	4.	Assist.Prof.Eman Baleagh	Functional abilities of osteoarthritis women and
chronic obstructive pulmonary disease 6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza		Meawad	their compliance to therapeutic regimen
6. Assist. Prof. Heba Noshy Abd EL Azizz 7. Assist. Prof. Assist.Prof.Aziza	5.	Assist. Prof. Doaa Elsayed Fadila	Coping behaviors of elderly patients with
Azizz regarding osteoporosis 7. Assist. Prof. Assist.Prof.Aziza Effect of Self-Care Practice on Lifesty Mahmoud Boughdady Elderly People With Osteoarthritis Knee 8. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke			chronic obstructive pulmonary disease
7. Assist. Prof. Assist.Prof.Aziza Mahmoud Boughdady Elderly People With Osteoarthritis Knee R. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke	6.	Assist. Prof. Heba Noshy Abd EL	Knowledge and behaviors of the elderly
Mahmoud Boughdady Elderly People With Osteoarthritis Knee R. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke		Azizz	regarding osteoporosis
8. Assist.Prof.Doaa Abd Elhamed Lifestyle patterns among elderly patients cerebral stroke	7.	Assist. Prof. Assist.Prof.Aziza	Effect of Self-Care Practice on Lifestyle of
cerebral stroke		Mahmoud Boughdady	Elderly People With Osteoarthritis Knee
Abd El Mawla cerebral stroke	8.	Assist.Prof.Doaa Abd Elhamed	Lifestyle patterns among elderly patients with
		Abd El Mawla	cerebral stroke

Assist.Prof.Neamit Ibrahim Elemam Assist.Prof. Eman Hassan Munier Dr. Sageda Magdy Ali Dr. Heba Ahmed Mohammed	Knowledge of end stage renal disease elderly patients regarding hemodialysis. Sleeping patterns of residents in elderly home The relationship between the burden of providing care and mental health status of the caregivers for the elderly with cancer Quality of life of older adult patients suffered from enterest
Assist.Prof. Eman Hassan Munier Dr. Sageda Magdy Ali Dr. Heba Ahmed Mohammed	Sleeping patterns of residents in elderly home The relationship between the burden of providing care and mental health status of the caregivers for the elderly with cancer Quality of life of older adult patients suffered
Munier Dr. Sageda Magdy Ali Dr. Heba Ahmed Mohammed	The relationship between the burden of providing care and mental health status of the caregivers for the elderly with cancer Quality of life of older adult patients suffered
Dr. Sageda Magdy Ali Dr. Heba Ahmed Mohammed	providing care and mental health status of the caregivers for the elderly with cancer Quality of life of older adult patients suffered
Dr. Heba Ahmed Mohammed	providing care and mental health status of the caregivers for the elderly with cancer Quality of life of older adult patients suffered
	caregivers for the elderly with cancer Quality of life of older adult patients suffered
	Quality of life of older adult patients suffered
Dr. Cally Mahammad El Cayad	from actornat
Dr. Sally Mahammad El Sayad	from cataract
Di. Sany Monanineu El Sayeu	Relationship between obesity and functional
	ability of elderly attending Geriatric outpatient
	clinics in Mansoura City
